Forecast For Scotland
Issued by Met Office Aberdeen
at 0400 on Thursday 29 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
East bright with a few showers. Dry, rather cloudy elsewhere.

Today:
North and west rather cloudy and mainly dry, just the odd shower. Central and eastern areas seeing some brightness and a few showers, heavy in places in the afternoon. Feeling warm in the sunshine.

Tonight:
Many places will be dry and rather cloudy. A few showers continuing through the evening and night in some central and eastern areas. Misty across the Nothern Isles.

Friday:
Some brightness and scattered showers across central and southern parts. North mainly dry, still rather cloudy across the northeast, the Western and Northern Isles.

Outlook for Saturday to Monday:
Becoming mainly dry, still the odd shower around especially in the north and east. Somewhat cooler and fresher than of late.
